

MBNA customer questionnaire: Payment Protection Insurance

Save Form

Clear Form

Please complete all sections of the questionnaire as fully as possible, so that your complaint can be assessed quickly. We aim to provide a response to your complaint within 8 weeks, and any redress awarded will be paid by cheque.

The questionnaire asks for:

- Some of your personal and financial details at the time of the Payment Protection Insurance (PPI) sale.
- Your recollections about what happened during the PPI sale.
- Your current contact details as we may need to get in touch – usually by email, phone or in writing.

If we call, we usually call from a withheld number – we'll leave a message if we miss you, or if you'd rather not answer. We might also send you a text message asking you to call us.

The complaints process is easy to understand and free. We treat all complaints we receive in the same way. If you use a Claims Management Company (CMC) we won't treat the complaint any differently, but be aware they may take a share of any money you're entitled to.

You might want to photocopy the questionnaire once you've completed it, just in case you need to make reference to it later or choose to refer your complaint to the Financial Ombudsman Service.

Please tick to indicate the product(s) your complaint relates to:
